MWSummersetcars.JPG

ELEGANT OLDIES: The residents of Summerset retirement village in Wanganui East were treated to a surprise visit by some spectacular old vehicles, reminiscent of the days when people who drove cars were called "motoring enthusiasts". The cars were in Wanganui participating in the international VCC Rally and the half-dozen or so vehicles drove around the Summerset complex at the conclusion of a day's rallying, much to the delight and appreciation of the residents.
