

FREQUENTLY ASKED QUESTIONS

Q. How can I find out if I qualify for subsidised care?

Your GP or specialist will refer you to the Needs Assessment Service Coordination (NASC) team. They will assess your health needs and determine the level of care you require and then arrange for a means test (administered by Work and Income NZ (WINZ)). If you meet the criteria you may receive part or fully subsidised care.

Q. Can I come to Summerset without a subsidy?

Yes. A number of our residents pay privately. If you come to Summerset and you are approved for a subsidy at a later date, then you will be reimbursed for the care received. In most cases the subsidy is backdated to the date of application. For more information go to www.moh.govt.nz

Q. Will someone be there to help me in the middle of the night?

Yes. Care staff are on duty 24 hours per day – just push your call bell.

Q. Who looks after my medication?

Our Registered Nurse will supervise your medication requirements as prescribed by your GP and dispensed by our contract pharmacist. Your personal care plan is reviewed regularly.

Q. If my family live far away will someone help me to get to specialist appointments?

Yes – a staff member will help with this.

A CARE OPTION TO SUIT YOU

RESPITE CARE / SHORT TERM CARE

Summerset welcomes residents who require short term care (also called respite care). You can stay with us for one day to one month. You may need care while your family or carer are away – or you may be recovering from a hospital stay. Subsidies are often available so do contact our Village Manager.

DAY CARE PROGRAMME

At Summerset we also offer a quality day care programme. Just book in and you can enjoy the warm supportive environment and companionship of other residents at a small cost. Subsidies may also be available.

REST HOME CARE

We have recently passed a rigorous independent audit and can now provide supported living right through to rest home care. This will ensure that the very best of clinical care is available to residents in their own spacious care apartment, with subsidised care, if applicable.

HOSPITAL CARE

Residents have priority access to the two care centres in our nearby villages at Trentham and Paraparaumu, which provide comfortable homely rooms in a warm and caring environment.

SUMMERSET SURE

Summerset provides the right level of care when you need it. Talk to our Nurse Manager about the option that is best for you. Then you will be sure ... Summerset Sure.

Summerset at Aotea has Registered Nurse oversight and experienced caregivers who are on hand at all times. Medical practitioners, podiatrists and hair dressers visit the village on a regular basis.

SUMMERSET CARE APARTMENTS

Purchasing a Lifetime Occupation Right to a care apartment offers you the “best of both worlds” – companionship, security and your choice of personalised packages of care in a spacious and private home where your friends and family can visit and stay anytime. These care apartments are bright and modern.
